Cafés and Restaurants

Coffee and Espresso

We offer a complete selection of traditional Italian espresso coffee products. Guglielmo USA provides customers with beans and ground coffees, servingware and specialty beverages

balanced & sweet

nutty & strong

intense & creamy

- Eight distinct blends of espresso coffee
- Three exclusive roasts of drip (American) coffee
- Complete furnishment with 'Guglielmo' branded espresso servingware

Equipment

Guglielmo USA offers a wide-range of coffee and espresso equipment to meet the needs of any size client. From state of the art fully automatic 'one-touch' coffee systems to traditional espresso machines and grinders.

- Equipment installation and calibration
- No charge maintenance **
- Expert training on installed equipment
- On-site technical support

♦ For 'Premier' status clients
*parts excluded

Home and Office

Single serve pods and capsules allow you to enjoy the great taste of Guglielmo espresso from the comfort of your home or when busy in the office. No more touching messy coffee grinds or waiting for the moka to brew, Guglielmo single serve systems are easy to use, require no clean up and allow for espresso on demand.

- Convenient, easy and cost effective
- Wide variety of hot beverages available (coffees and teas)
- All in one kits include coffee, cups, sugar and stirrers
- No hassle cleaning and minimal equipment maintenance
- Ready to use, with no electrical or plumbing requirements

Franchising

Guglielmo Caffè and Guglielmo USA are looking to expand the highly successful “Guglielmo Point” franchise into the United States

- Proven international success
- Over 35 locations worldwide
- Expert training and support
- Site-specific market analysis
- Advertising reimbursement*
- Exclusive product pricing and merchandising
